7. (i) **Visits:** 02 Planned Maintenance visits each year (Once in Six months) and breakdown visit as and when required for each.

Technical support on highest priority by phone and e-mail, free of charge during the contract period.

During Breakdown of the equipment, the service provider needs to follow up the complaint made by the user by e-mail within 48 hours and provide list of spares/consumables required to make the equipment functional.

After arrangement of the required spares/consumable by CIMFR, the service provider must install the spares/consumable free of cost within 48 hours of information from CIMFR via E-mail to make the equipment functional.

(ii) If service is delayed from AMC provider company, then that amount of time period will be extended in AMC time period without any additional cost to Institute.

(iii) As this AMC is non-comprehensive AMC and does not include any Spares / Consumables, in case of Breakdown occurs due to lack of spares/consumables, then the given 48 hours deadline to revive to instrument will not stand applicable for such situation. And in such situation, Breakdown period will solely depend on arrangement all such requisites at CIMFR's end.

8. Payment Terms:

- (i) Payment will be Annually basis only after completion of each year period of the AMC, subject to receipt of satisfactory report for as indicated under point No. 04 of terms & Condition.
- (ii) This is the sole responsibility of the contractor to submit the service reports of PM / breakdown service report at the time of submission of bill.
- (iii) Payment shall be made against invoice/ bill within 30 days after satisfactory services and duly certified by Indenting Officer.

9. Liquidated Damages/Late Penalty Charges:

- (i) Timely performance of service is the essence of this purchase order as our requirements are connected with time targeted research work. Non-compliance with the timely service will leave the Director, CSIR-CIMFR at liberty to impose the liquidated damages a sum equivalent to 0.5% per week of the unperformed Services on bill value/contract value in case the delivered price of the delayed unperformed services cannot be ascertained from the contract, for each week up to a maximum deduction of 10% of contract /invoice value. Once the maximum is reached, the Purchaser may consider termination of the contract pursuant to termination for default.
- (ii) As this AMC is non-comprehensive AMC and does not include any Spares / Consumables, in case of Breakdown occurs due to want of these things, then the given 48 hours deadline to revive to instrument will not stand applicable for such situation. And in such situation, Breakdown period will solely depend on arrangement all such requisites at CIMFR's end. And in such circumstances, there will be no LD Penalty imposed on the service provider.

LD clause will not be applicable for following instances –

- (i) Delay in arranging any required spares / consumables by CIMFR onsite and on-time.
- (ii) Delay due to any Force majeure situation / beyond control situation.
- (iii) Delay due to any transportation / mobilization restriction which is not in control of our company.

10. **Renewal or Termination:** By one month's notice on either side. However, Director, CIMFR reserves the right to cancel any part of the contract or terminated the contract anytime without assigning any reason whatsoever.

11. **Limitations of Liability :** The firm shall be liable for any loss, direct or indirect due to:-

Delay in attending our call for any reason not beyond firm's control.

Faulty operation/application of the instruments, when it is proved that is due to wrongful act/negligence on the part of your engineer.

12. **Force Majeure:** The supplier shall not be liable for forfeiture of its performance security, liquidated damages of termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure. For purposes of this clause, "Force Majeure" means an even beyond the control of the supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not limited to, acts of purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

If a Force Majeure situation arises, the supplier shall promptly notify the purchase in writing of such conditions and cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

13. **Governing Laws and Jurisdiction :-**

Jurisdiction: This contract between the supplier and buyer shall be governed by the Laws of India and this contract shall be taken up by the parties for settlement and orders only in Dhanbad, India to competent jurisdiction
